

Strategy, Planning and Budgeting (SPB) Readiness Calculator Results

People OPTIMIZED Level Description

Modern strategy, planning and budgeting capabilities depend on an efficient process, advanced technology, and integrated information; however, it is the people who create strategies, plans, and budgets that matter most. Contributors must understand their roles and responsibilities. They must have the knowledge, ability, and desire to craft innovative strategies and the commitment to execute them.

Based on your responses in the SPB Calculator, your organization has an Optimized level of readiness. This level may be described using the characteristics below.

Does this sound like you?

SPB contributor roles are **Levels of SPB** The overall SPB process is Internal and external **Creative strategies and** contributors to SPB know visible and intuitive. clearly defined and responsibility and non-traditional ideas are exactly what is expected assigned. participation are widely encouraged of all SPB understood. of them and where their participants and evaluated fairly and confidentially. efforts fit in the overall SPB process, before they engage. **SPB** contributors look **SPB** participants believe **Reward systems clearly** encourage active SPB that they have a voice and forward to and enjoy participating in SPB that their contributions are participation, timely activities. meaningful and completion, cross-team cooperation and overall appreciated. quality.
